THE TRIBUNE SOLD TO BEID. New York, Dec. 22 .- William Orton sold to Whitelaw Reid fifty shares out the hundred, constituting the capital sk of the Tribune association, for a ge advance on the price at which he caring it the benefit of his lity. The Tribune in an editorial anuncing the proprietorship, has the folwing: "We propose continuing our I battle against injustice and ignorance. der the same Republican banner which orace Greeley upheld so stoutly and so ng, and on the same policy of candid inendence, which it was one of his latest te to re-affirm over his own signature in ese columns. Naturally, we shall prer to support, as far as possible, an which professes ministration e party name. Such an administration ill receive from us a frank and cordial pproval of every action performed in acordance with its principles, but the Triune is nobody's official advocate. Our arty sympathies are not strong enough to vercome our independence or muzzle our onest utterances.

OPINION OF MR. REID.

Mr. Reid says the losses of the Tribune re grossly exaggerated, and came more om the withdrawal and death of Mr. ireeley than from any change in the paor towards independence. FROM MINISPER SICKLES.

WASHINGTON, Dec. 28 .- Gen. Sickles elegraphs from Madrid that both houses congress have accepted, by decisive marities, the colonial policy of the ministry or Porto Rico, which involves the seperaon of the civil from the military governnent, extension to Porto Rico of the same rovincial form of government which exets in Spain, with municipal government nd town local officers. Two of the minters resigned, and their successors, who e in accord with the views of the minstry, and with congress, were cordully eceived by congress. The policy of the ministry is understood to have been approved by a vote of 60 senators against 6, and by 241 against 12 in the lower house. Sickles further telegraphs that the president of the council announced that a bill for the immediate emancipation of all slaves in Porto Rico will be speedily introduced.

NEW YORK, Dec. 23 .- The Herald says number of the present stock-holders of the Union Pacific railroad, have written to Horace F. Clark, now president of the road, asking him to commence suit for the recovery of \$18,000,000, said to have been taken and divided among those engaged in the Credit Mobilier transactions. The Herald says the suit will compel a full development of all facts, for Oakes Ames, with his fortune at stake will not be willing to stand in the capacity of trustee before parties whose interests he represents, and hopes the suit will not be impromised, and that the whole secret aistory of the Credit Mobilier may be M. K. and T. railroad. brought to light for the good of the country. The Herald reporter says Clark admits being asked by the stockholders to commence suit, and that the directors at a meeting next week will take action in the EX-UNION SOLDIERS.

Sr. Louis, Dec. 23 .- An adjourned meeting of the ex-Union soldiers was held to-night, at which a memorial to the United States senate praying that body to pass the homestead act, adopted by the house on the 12th inst., was unanimously agreed to. A large number of signatures have already been obtained to the memorial, and additional committees were appointed to procure more. Another meeting will be held on the 30th inst., when the memorial will be forwarded to the THE SPEAKERSHIP.

NEW YORK, Dec. 23 .- A Washington special says Freeman Clark of New York, is mentioned as a probable candidate for the speakership. Some Southern members mention Horace Maynard for the position. Fernando Wood will be the candidate of the Democrats. Ordway will be dropped as sergeant-at-arms, also King as

postmaster of the bouse. Sr. Louis, Dec. 23,-The Republican's Washington special says the members from the South who are elected to the Forty-third congress are industriously at work to make Horace Maynard of Tennessee, speaker of the house. They are very anxious to form a combination with the Pennsylvania delegation, and the inducement held out is, that in case Maynard is

and the old members from Pennsylvania who are re-elected will have other important chairmanships. An effort is also being made to capture the Indiana delegation, the consideration being that Gov. Coburn of the Indianapolis district, is to be made chairman of the appropiation com-

SPEAKER BLAINE, Who will be a casdidate for re-election, has thus fur made no effort, nor has his friends, because they are confident of his re-election without much opposition.

THE PRESIDENT. CINCINNATI, Dec. 22 .- President Grant arrived at Covington yesterday afternoon, and stayed with his father last night. He stopped at the Burnett house to-night, and will start for Washington by the Pan Handle route, at half-part seven, in the morning, and expects to arrive there early on Tuesday.

ALABAMA LEGISLATURE. Washington, Dec. 23.—Dispatches have been received from Montgomery, Alabama, stating that the court-house legislature continues to hold its session. Notwithstanding that the Republicans accepted the compromise offered by the administration, the report is current that they will not submit to it now, since it is clear that the legislature organized upon it week purchased it. He retains one the suggestion of the attorney general will are, and it is agreed he shall be elected be Democratic. Republicans here dise of the trustees of the association, thus credit this, but if it proves true the attorney general says their actions are ids influence and recognized business clearly illegal, and they will not be recognized by the administration.

NEW YORK, Dec. 23 .- The opening of the second Stokes trial was similar to the former one. Judge Fullerton delivered an address for the prosecution, reciting circumstances of the shooting of Fisk.

Judge Fullerton, in the conclusion of his address in the Stokes case, to-day, drew attention to the lawlessness of the times, and said a question now prominent in the community was, whether criminals should be arrested, and when arrested, whether they should be punished and a stop put to this bloodshed. Bad men regard the laws which punish murderers with death as played out.

Patrick Hart, Thos. Hart and Jno. T. Redmond, hall boys, repeated their evidence given at the first trial. Adjourned. GEO. P. PUTMAM.

The funeral of the late Geo. P. Putnam took place this morning, from Madison avenue church, Thirtieth street. The ceremonies, which were of the most simple kind, were conducted by Rev. Dr. Elder, pastor, and the funeral sermon was preached by Dr. Anderson. The floral display was beautiful. A great number of artists, literary men and members of publishing firms attended the services in the church. The following officiated as pallbearers: Wm. Cullen Bryant, Jno. Taylor Johnson, Daniel Huntington, Jao. Willey, Jos. T. Sargent, Henry Holt, Chas. Collins, Vincent Collyer, Andrew T. Armstrong, A. D. N. Randolf, Richard Butler and S. B. Gifford.
